THREE CENTS

## SENATE VOTES TO ASK COOLIDGE TO END COAL STRIKE

### AIR CONTROVERSY BREAKS OUT ANEW AS PROBE BEGINS

Behind Lobbying Probe Is  
Plan To "Get" Men Who  
Talk Out of Turn.

### PATRICK MARKED FOR DISCIPLINE

Investigation Threatens To  
Provoke Another Out-  
burst in Congress.

Washington, Feb. 9.—A new air  
controversy flared across the army  
horizon today as a result of the in-  
vestigation ordered by Secretary of  
War Davis to ascertain the extent of  
"lobbying" activities by officers of  
the air service in favor of particular  
legislation.

Behind the new probe into the  
much-investigated air service looms  
the War department's threat to mete  
out to officers who "talk out of turn"  
the same fate that was visited upon  
Col. Wm. Mitchell.

President Coolidge and Secretary  
of War Davis were represented as  
being determined to stamp out op-  
position to administration policies in  
the air service, even at the cost of  
separating more flyers from the  
army payroll.

The air service buzzed today with  
reports that Maj. Gen. Mason W. Pat-  
rick, chief of army air service, was  
marked down for discipline because  
of his advocacy of an unified air  
service instead of the administra-  
tion program as embodied in the  
Morrow board report.

Undaunted by the fate that over-  
took Mitchell, Gen. Patrick has  
readily continued to endorse a  
separate air service before commit-  
tees of congress. It has been dis-  
tinctly disconcerting for the admin-  
istration in its efforts to push the  
Morrow recommendations through  
congress to have the army's chief  
aviation spokesman backing some-  
thing entirely different.

The Davis investigation threatened  
today to provoke another outburst in  
congress.

Rep. James R. of Michigan, rank-  
ing member of the house military af-  
fairs committee, declared that "if  
the War department is going to  
clamp down on officers for merely  
expressing their views before con-  
gressional committees then it is more  
of a pogrom bureaucracy than even  
Mitchell painted it."

Other members declared that the  
department's latest "ag" move may  
result in congress passing the Gar-  
rett resolution, which provides for a  
congressional investigation into the  
War department's penalizing officers  
for giving testimony before its  
committees.

Rep. James R. of Michigan, rank-  
ing member of the house military af-  
fairs committee, declared that "if  
the War department is going to  
clamp down on officers for merely  
expressing their views before con-  
gressional committees then it is more  
of a pogrom bureaucracy than even

### Queen of Teachers

Acting as judge from his office in New York by means of photos,  
Florenz Ziegfeld chose Miss Ilya Cracraft the most beautiful girl  
in Emporia, Kan., Teachers College, one of the largest normal  
schools in U. S.

### WOMAN DIES DAY AFTER HUSBAND

Mr and Mrs Walter Graham  
Die Saturday and Sun-  
day Respectively

Word has been received here of  
the deaths of Walter Graham and  
his wife, Mrs. Jessie Graham, who  
died Saturday and Sunday respec-  
tively at their home, 1870 East 90th st.,  
Cleveland. Pneumonia was the cause  
of Mr. Graham's death, while cancer  
caused the death of his wife.

Mr. and Mrs. Graham were well  
known here, having made their home  
here several years ago. At that time  
Mr. Graham had a sign painting shop  
on Penn st., which is occupied now  
by A. R. Talbot.

Mr. Graham, who was Jessie  
Grimm, was born in Hanoverton and  
attended school there before her mar-  
riage. Mr. Graham was born in New-  
garden.

They are survived by one daugh-  
ter, Mrs. Ruth Graham Parks of  
Cleveland. Mr. Graham is survived by  
one sister, Mrs. Casper Stanley of  
Salem, and two brothers, Albert Graham  
of Pulaski, Va., and J. M. Graham  
of Mechanicsville, Ia.

The funeral service will be at 1  
p. m. Wednesday in the funeral parlors  
at 1794 East 54th st., Cleveland.  
Burial will be in that city.

### CAR TOPPLES OVER, THREE MEN HURT

Warren, O., Feb. 9.—M. K. Henry, of  
Akron; Roy King, motorman, of  
Cleveland, and Robert Smith, con-  
ductor, also of Cleveland, were in-  
jured here today when a Northern  
Ohio traction freight car jumped  
from the tracks here, crashed into  
the curb and toppled over.

Motorman King applied the air  
brakes as the car neared a sharp  
curve at South Austin avenue. They  
failed to work and instead of mak-  
ing the curve, the car jumped the  
tracks. The three men were taken to  
the hospital here for emergency treat-  
ment. Their injuries were not serious,  
reports there stated.

### Solons Will Inspect Waterworks Boilers

Service Director F. A. Rinehart  
today issued an invitation to mem-  
bers of city council and the public  
in general to attend a public inspec-  
tion of the boilers at the waterworks  
Thursday.

G. W. Wilson, of Columbus, state  
boiler inspector, will be here to look  
over the waterworks boilers, and will  
likely start his tour of inspection at  
9 a. m. Thursday.

### Bandits Bind Man, Rob Him of \$1,500

Youngstown, Feb. 9.—Robbers to-  
day entered the store of Herman  
Litkowitz, East Youngstown, bound  
and gagged the proprietor and took  
\$1,500 from the cash register. Lit-  
kowitz was found by customers. The  
robbers escaped.

### Sunday In Cleveland

Cleveland, Feb. 9.—"Billy" Sun-  
day, world famous evangelist, will  
preach at Public hall February 23, in  
connection with the dedication of a  
new building for the city mission.

### MUSSOLINI THREAT IS THROWN INTO NATIONS LEAGUE

Trouble Between Rome And  
Berlin Over Tyrol Is  
Still Simmering.

### GERMAN MINISTER PASSES THE LIE

Effort Seen To Influence  
German Entrance Into  
The League.

Vienna, Feb. 9.—Premier Mussol-  
ini's threat against Germany as the  
result of the Anti-Italian campaign  
in South Tyrol was today thrown  
into the league of nations.

The Tyrolean diet, meeting at  
Innsbruck, decided to appeal to the  
league to take action upon Mus-  
solini's statement.

If the league accepts the demands  
of the Tyrolean diet an interesting  
situation may arise, as it is recalled  
that when Mussolini seized Corfu he  
refused to accept orders from the  
league or to recognize its right to  
intervene.

Rome, Feb. 9.—Public ardor, aroused  
on Saturday to a fever pitch by  
Premier Mussolini's stern warning to  
Germany, had cooled somewhat to-  
day. Whereas yesterday there was  
some talk of war possibilities, it was  
generally admitted today that there  
is no likelihood of any real difficul-  
ties between Germany and Italy.

### Stressman Passes Lie

Berlin, Feb. 9.—Foreign Minister  
Stressman passed the lie to Premier  
Mussolini of Italy today, in a strong  
speech in the reichstag replying to  
the speech of Mussolini threatening  
Germany because of the Anti-Italian  
campaign in South Tyrol.

"Mussolini says that the stories of  
oppression in the Tyrol are a stupid  
lie," said Herr Stressman.

"It is just as stupid a lie if he  
claims that the German government  
inspired the press campaign against  
him."

Herr Stressman's speech was  
greeted with enthusiasm. Just as  
great as that which hailed Mussolini's  
warlike speech in the Italian cham-  
ber.

There were especially strong  
scenes of enthusiasm when the Ger-  
man foreign minister declared that  
he would protest against "the op-  
pression of a helpless minority" in  
South Tyrol.

### Affect On League

Having passed the lie, Herr  
Stressman struck a more moderate  
note which was not as pleasing to  
his audience.

There were howls of laughter from  
the Nationalists when he mentioned  
the "spirit of Locarno," and the  
league of nations.

The American and British ambas-  
sadors were present in the diplomatic  
gallery.

Stressman said that Mussolini's at-  
tack arriving coincident with Ger-  
many's entrance into the league is  
calculated to have an unfortunate ef-  
fect upon the spirit animating  
Locarno.

The Luther cabinet, after an all day  
sitting, last night approved the text  
of the note applying for admission  
into the league. The note was dis-  
patched by messenger to Geneva.

The cabinet's decision to adhere to  
its original plan to enter the league  
was influenced, it is believed in  
some quarters, by the impression  
that Mussolini's broadside was delib-  
erately launched to keep the reich  
out of the league for the time being  
lest once at Geneva she find too  
many sympathizers in its dispute  
with Fascism.

### Rev. Mink Will Preach At Christian Church

Rev. L. O. Mink of Bowling Green,  
will give a short address at the Wed-  
nesday evening prayer service at the  
First Christian church. Members of  
the official board of the church are  
especially urged to be present.

The meeting will open at 7:30 p.  
m. and will be led by Mrs. W. A.  
Leatherberry. The subject will be "My  
favorite verse."

### Bandit Gets \$50

Cleveland, Feb. 9.—A masked band-  
it entered the United Cigar store  
at Huron rd and Euclid ave. today,  
held up the clerk in charge and es-  
caped with \$50 in cash.

### Court Resembles A Livestock Market As Judges Take Bribes

Odessa, Feb. 9.—Quacking of  
geese, clucking of hens and squeal-  
ing of pigs in a provincial court  
of Kherson led agents of the  
state political police to start an  
investigation which has resulted  
in the indictment of 15 provincial  
judges on charges of accepting  
bribes.

Detectives spent several days  
in court. They observed that each  
peasant defendant carried with  
him into court a bag which he  
threw beneath the judge's bench.  
Then, while the peasant was giv-  
ing his testimony, one or two of  
the judges would run their hands  
in the bag to determine the value  
of the contents.

### French Fliers Will Attempt To Reach Mount Everest Summit

London, Feb. 8.—While several  
aerial attempts to reach the North  
Pole are in progress this summer, a  
none the less adventuresome aerial  
attempt to reach the summit of Mount  
Everest will be made.

M. Callizo, daring French aviator  
known as "the king of the upper air,"  
who holds an aeroplane altitude re-  
cord of 39,586 feet, will make an at-  
tempt to reach the summit of Mount  
Everest.

Callizo will fly a new high altitude  
two-seater machine, now under con-  
struction in the Belvoir-Spad works in  
France. The machine is of special de-  
sign and has high lift wings of ex-  
traordinary thickness, shaped to give  
a maximum of lift in thin air at great  
heights.

The engine of the machine will be a  
super-charger, 500 horse power, en-  
gine, designed to avoid loss of power  
in rare atmosphere. Metal propeller  
blades are to be used.

### Grim Reaper Wins In Battle Fought With Mother Love

Cincinnati, Feb. 9.—Little John  
Gumm, seven years old, lies cold in  
death, today for the grim reaper has  
triumphed in a battle fought with  
mother love.

The boy died last night at the Gen-  
eral hospital an hour after his leg  
had been amputated and his mother  
had submitted to a transfusion of  
blood in an attempt to save his life.

Mrs. Ethel Gumm, the mother, yes-  
terday had sent John and his older  
sister to a bakery and on Central  
avenue, the boy pulled away from his  
sister and ran across the street. A  
truck ran over him, crushing his  
body. He was taken to General hos-  
pital where he died shortly before  
midnight.

### MRS. EMILY DAVIS TAKEN BY DEATH

Aged Resident Dies Monday  
Afternoon at Home  
On High Street

Mrs. Emily Davis aged about 84,  
died at 3:30 p. m. Monday at her  
home, 24 East High st. Mrs. Davis  
had been in fairly good health until  
last Sunday, when she became ill.  
The immediate cause of her death is  
said to have been bronchial pneu-  
monia.

Mrs. Davis was born in Washing-  
ton county, Pa., but when quite young  
came to Salem with her parents,  
Ephraim and Amy Murphy. She had  
lived practically all her life in this  
city, with the exception of a few years  
following her marriage in 1861, when  
she lived on a farm east of Salem.

Her husband, Samuel Davis, preceded  
her in death 20 years ago. For the  
last 35 years she had made her home  
at 24 East High st. She was a mem-  
ber of the Methodist church.

Surviving are one daughter, Miss  
Mary Davis, at home; one sister, Mrs.  
Alice Burchfield, of East Fourth st.;  
and two brothers, Samuel and James  
J. Murphy, who made their home  
with her.

Friends may view the body after 10  
a. m. Wednesday. The funeral ser-  
vice will be at 2:30 Thursday at the  
home with Rev. C. E. Roth, of the  
Episcopal church officiating. Burial  
will be in Hope cemetery.

### THOMPSON SENT TO REFORMATORY

Harold Thompson, of Salem, who  
entered a plea of guilty to an indict-  
ment charging him with assault with  
intent to rob Joshua Hoopes near  
Winona last November, has been sen-  
tenced by Judge E. R. Eastman in  
common pleas court No. 2 to serve  
from one to 15 years in the Mans-  
field reformatory. This is the last  
of the four young men who were in-  
dicted with this "job" to be sentenced.

There were four indictments re-  
turned against Thompson when the  
January grand jury considered the  
Salem bandit gang, and Thompson en-  
tered a plea of guilty to each indict-  
ment when he was arraigned.

It has been disclosed that Thomp-  
son was sitting in an automobile when  
Shelby Carlisle, Chalmers Votaw and  
Charles Rogers entered the Hoopes  
home, but because he was with the  
other men he was considered guilty of  
complicity.

### Akron Fiddler Wins First Night's Round

Cleveland, Feb. 9.—A. C. Heinlner,  
35, of Akron, won the first night's  
round of the contest to determine  
Ohio's champion fiddler. H. C. Jones,  
of Paducah, was second, and Edward  
V. Ayer, North Olmstead, third.

The contests will continue tonight  
and tomorrow night and the winners  
will fight it out for state honors  
Thursday night. The champion will  
participate in the national champion-  
ship at Detroit backed by Henry  
Ford.

### Dodgers Sign Moss, Right Hand Pitcher

New York, Feb. 9.—Ray Moss, right  
hand pitcher, has signed a 1926 con-  
tract with the Brooklyn Dodgers.  
Moss was purchased from the Mem-  
phis club of the Southern associa-  
tion.

### 2,753 In Ohio Pen

Columbus, Feb. 9.—Fifteen new ar-  
rivals this week boosted the popula-  
tion at the Ohio penitentiary to 2,  
753 prisoners.

### INTERVENTION BY PRESIDENT ASKED; COOLIDGE SILENT

President, Studying Resolu-  
tions of Insurgents, Not  
Ready To Answer.

### REPEATS HE FAILS TO SEE NECESSITY

Republicans Defeated When  
Dems Rally To Radicals  
Plan for Intervention

Washington, Feb. 9.—President  
Coolidge would not commit himself  
this afternoon on the senate's re-  
quest that he abandon his policy of  
"hands off" the anthracite coal strike,  
and invite the operators and miners  
to a joint conference at the White  
House to settle the strike.

News of the senate's adoption of the  
Copeland resolution was communica-  
ted to Mr. Coolidge at the conclusion  
of the cabinet meeting and he told in-  
quirers he would give it "careful con-  
sideration."

The resolution specifically request-  
ed Mr. Coolidge to initiate action  
which will settle the strike.

The president, however, informed  
questioners that he did not see where  
in the situation was changed any by  
the senate's action, for if it had ap-  
peared to him that his intervention  
would have made peace in the anthra-  
cite industry months ago such action  
would have been taken.

The fact that 54 senators voted in  
favor of his interceding, however, con-  
stituted serious factor to be con-  
sidered, it was stated.

### Republicans Defeated

Washington, Feb. 9.—Reversing it-  
self completely, the senate today re-  
quested President Coolidge to inter-  
vene in the anthracite coal strike, by  
calling the operators and miners to  
the White House for a conference.

The senate's action was taken by  
the adoption of the Copeland resolu-  
tion, which it twice voted down last  
week.

Its adoption followed a flurry of de-  
bate, in which administration lead-  
ers characterized the move as "futile,"  
and sought to prevent its passage as  
an embarrassment to the administra-  
tion, but the Democrats rallied around  
the resolution and supported by the  
insurgent Republicans it went over, 55  
to 21.

### Lewis "Interested"

Wilkes Barre, Pa., Feb. 9.—John  
L. Lewis, president of the United  
Mine Workers of America, was "in-  
terested" in the action of the United  
States senate today in demanding  
President Coolidge to call a coal con-  
ference, but, according to his secre-  
tary, he had no comment to make.

### Defeat Resolution

State Capitol, Harrisburg, Pa., Feb.  
9.—The house of the special session of  
the Pennsylvania legislature today  
defeated an effort to have it ex-  
pressed to the president of the United States  
that the sense of the assembly is for  
intervention by the federal govern-  
ment in the anthracite controversy.

### FIVE ACCUSED OF JURY TAMPERING

Bench Warrants Issued In  
Probe of Plot During  
the Kirby Trial.

Cleveland, Feb. 9.—A bench war-  
rant signed by Judge John M. Kil-  
lits, presiding in federal district  
court here, was on its way to Califor-  
nia today to secure the return of  
Cleveland of James Donovan, of  
Mansfield, O., in connection with an  
alleged plot to tamper with men sum-  
moned for jury duty in connection  
with the two trials of Josiah Kirby,  
founder and former head of the  
Cleveland Discount Company, on  
charges of using the mails to defraud.

Kirby was convicted ten days ago  
and is now held in county jail. He  
will not be sentenced until the pres-  
ent grand jury probe of alleged jury  
tampering is completed some time  
this month.

Donovan, who was arrested in  
Riverside, Calif., late yesterday,  
after he had been trailed by secret  
service agents, is the fifth man to  
be taken into custody on bench  
warrants in connection with the al-  
leged plot. The others are William  
Irvin, Akron lawyer; Jesse E. Dow,  
Mansfield lawyer; Ben Williamson, a  
former Cleveland newspaper man,  
more recently an employ of Kirby,  
and John Brill, Cleveland. A sixth  
man, wanted for questioning, was on  
his way here from the east today in  
charge of a federal agent.

The warrant issued for Donovan  
charges him with "attempting to  
corrupt justice by endeavoring to  
influence a prospective juror."

## PROHIBITION TEMPEST

Another tempest has been raised by the report of the Church Temperance Society of the Episcopal church declaring bone-dry prohibition to be a failure and advocating modification of Volstead law to authorize manufacture and sale of light wines and beer as a temperance measure. It is charged that this society is a small and virtually defunct affair not at all representing the position of the Episcopal church. It is evident from interviews that opinion within the church is sharply divided on the is-

Public sentiment, as has been said a thousand times at least, ultimately will decide the fate of bone dry prohibition but public sentiment seems to be experiencing a very hard time in crystallizing. Ultimately seems a long way off, longer than it did six years ago. We suppose about the best the ordinary well-meaning individual can do under the circumstances is to keep an open mind, rather his information from personal observation and, when he relies on the testimony of others, look to the least prejudiced sources he can find and above all, to preserve a calm and tolerant spirit, remembering that not all the virtue is on one side of this question or all the meanness either, and that propaganda is no trustworthy. If the country could assume that attitude toward this troublesome subject, watchful waiting as it were, the decision would be reached sooner and meanwhile we should all have a more restful and happier time of it.

## COURAGE ON THE SEA

King George of England was quick in awarding a medal of honor on the captain of the American liner, President Roosevelt, for his work in saving the crew of an English freighter in a mid-winter storm on the Atlantic. As boy and man King George has been at sea, knew what experience the terror of a winter storm, was able to value the seamanship of a navigator under such conditions. The fine courage of the captain and the crew appealed to the king in the same way it appealed to men and women in all lands. Human courage at sea knows only the language of humanity, all may understand it fully.

The recent storms on the Atlantic put many ships in danger and calls for help were sounded daily. The world expects a quick response to that call and the men of the sea fail not when they hear it. No matter what national color flies from the mast of a ship in distress, or what nation is represented on the ship that gets the call, there is response and courage equal to the test that may be met. Lives were lost in the efforts to reach those in danger, men fought for place when the boats were to be launched. There is grim courage in the stories of the sea, has been from the dawn of navigation. Men dare death to carry aid to their fellows. Such courage and skill fully deserve the recognition of a king. The action of King George was to his credit, likewise to the credit of the British Empire.

Job didn't really begin to feel it until he had installed that cost-accounting system for his troubles.—Binghamton Press.

Safety first consists in assuming that the driver you are meeting hasn't any more sense than you have.—Mansfield Journal.

The West would like to swap its corn belt for a pair of government suspenders in the form of price fixing.—Cincinnati Enquirer.

No mere simple standard of morality can enable a woman to handle a cigar without awkwardness.—Baltimore Morning Sun.

Thrift week is past, and father must now pay for some of those little economies the family practiced.—Minneapolis Journal.

According to reports, there was no dearth of liquor to celebrate

the sixth birthday of prohibition.  
—Norfolk Ledger Dispatch.

In workmen's homes and cars the communists find two obstacles to the progress of their doctrine.—Pittsburgh Gazette-Times.

That diamond found in a sweet potato shows how careless the sweet potato farmers are when they are hoeing.—St. Louis Globe-Democrat.

Senator Norris sees a plan to "seize Muscle Shoals" That man sees more things that are not than any other person in the senate—excepting Tom Walsh.—New York Commercial.

Another thing we occasionally wonder about, as we read the touching stories in the paper, is how innocent the beautiful, wronged wives of our eminent bandits and bigamists really are.—Ohio State Journal.

Dr. John Roach Straton says there is need of vigorous work at Palm Beach, Or. in the language of some of the bustling Floridians, a penny campaign with blunders on celestial subdivisions.—Boston Transcript.

## RITZ AND YOUNG BRIDE MAY PART IF MOTHER ACTS

New York, Feb. 9.—The marital affairs of Charles C. Ritz, son of the founder of the famous string of hotels bearing his name in this country and Europe, were in a tangled shape today.

Charging that her daughter had married Ritz at an age she considered too young, Mrs. C. Gordon Pearce, of Forest Hills, Long Island, said that she would seek to have the marriage of her daughter, Elizabeth, to Ritz, annulled.

Friends of the family say the girl is but 16, Ritz, however, claims she is "at least 17½ or 18."

Mrs. Pearce said that her daughter met Ritz at a social function two years ago, and that she had permitted her to associate with him only on condition she would not run away to be married.

The Ritzes were married in Jersey City Friday. They are now living at the Ritz-Carlton here.

## LOGAN GAS RATE RAISE REJECTED

Columbus, Feb. 9.—Residents of approximately 44 Ohio municipalities and communities today are benefitted by the action of the state utilities commission, which, late Monday, rejected the schedule for increased rates filed by the Logan Gas company with the commission on November 14 last. The commission's order of disapproval was in response to protests by city officials of Bucyrus, Elyria, Marion and other municipalities. Claim was made by the protesters that the gas company possessed no legal right to file another schedule while the commission had under consideration protests from these municipalities against the schedule filed by the company on February 7 last, which also provided for increased rates.

## Permanent Wave Is At Least 4,000 Years Old, Says This Woman

Chicago, Feb. 9.—Think the permanent wave is one of beauty's latest discoveries? Well, you are wrong. Hair waving was practiced more than 4,000 years ago, according to Miss Francis Merrill, secretary of the American Cosmeticians society, who is working for standardization of beauty operators.

"Archaeologists recently excavating at Ur, the ancient Chaldean city in Mesopotamia," said Miss Merrill, in an address, "discovered that women in the year 2250 B. C. had their hair waved in modes somewhat similar to those followed today."

While searching for the palace of Sargon, son of the builder of the great Zikkurat, or temple, who reigned 1,175 years ago, the scientists unearthed the sculptured head of the Moon goddess, one of the deities worshipped at that time.

"The hair of the Moon goddess was elaborately waved, indicating to the investigators that the professional hair dressers of the third dynasty possessed a skill in creating chic coiffures which a modern beauty operator might be proud of. The eyes of the goddess were inlaid with lapis lazuli and shell."

## NEW WATERFORD

The Woman's Missionary society of the Presbyterian church had an all day meeting on Wednesday at the home of Mrs. Clyde Carnes with a covered dish dinner at noon. The day was spent in sewing, mainly for a Porto Rican hospital. Election resulted in the choice of Mrs. A. A. Strong, president; Mrs. S. P. Johnson, vice president; Mrs. Oscar Thomas, secretary; Mrs. Clarence Chandler, treasurer; and Mrs. Clyde Carnes, secretary of literature. Mrs. Roger Thomas of Portsmouth, Mrs. Ben Rupert, Mrs. Horace Ellis and Miss Frances Dillon were guests.

Col. Schmidt has scarlet fever but is doing well. Koch Williams is ill. The Carrie Barge society met with Miss Violet Ferguson on Thursday eve.

The Misses Sara and Myra Tucker of Artie, R. I. are visiting Miss Mildred Hall. The young ladies are students of Friends Boarding school at Harnesville.

Mrs. Roger Thomas of Portsmouth, O. spent a week with the Ogan Thomas family and Roger joined her for the week end.

Mrs. Ira Sechrist is spending a few weeks with her daughter in New Kensington, Pa.

C. W. Hall attended Farmers' week in Columbus.

Rev. J. M. Cotton was one of the speakers at a banquet given by the Christian Endeavor of the All Saints Presbyterian church on Wednesday evening.

## Questions And Answers

By FREDERIC J. HASKIN

Q. When will the next Red Cross convention be held? D. G.

A. The sixth annual convention of the American Red Cross will be held in Washington, D. C., Oct. 4-7 inclusive, 1926. Each chapter of the Red Cross is entitled to send delegates and the attendance will probably be from 700 to 1,000.

Q. Where do we get the word bag gage? W. S.

A. Probably from the old French word bagage, meaning baggage.

Q. Has the miner's strike in the anthracite field, reduced the year's output of coal materially? C. L. T.

A. It has cut production notably. By the end of December the deficit in anthracite output had reached approximately 23,500,000 gross tons. In 1924 the total output was 78,500,000 gross tons, of which 65,970,981 tons were shipped, 2,717,802 tons sold locally, and 6,812,243 tons used for power at the mines. For 1925, government agencies give the total production as approximately 55,000,000 gross tons.

Q. What is the meaning of the words—Mary, Nazareth and Israel? C. M.

A. Mary is the name of Miriam, its first and best meaning; "exalted." "Nazareth" means "separated" or "consecrated"; "Israel"—"He that sees God."

Q. Why is Babbitt metal called that? A. R. T.

A. Babbitt metal takes its name from that of its discoverer, Isaac Babbitt, an American inventor, a native of Massachusetts. The metal was invented and patented in 1839.

Q. What language does English come from? A. M.

A. The English language was the language used originally by the Teutonic tribes that invaded the island of Britain during the latter half of the fifth century. It belongs historically to the western branch of the Teutonic languages and to the low German subdivision of that branch. The Teutonic languages and to the low German subdivision of that branch being most closely allied to the Frisian.

Q. When was Al Smith first elected governor of New York? C. S.

A. A. E. Smith was first elected governor on Nov. 5, 1918.

Q. What was the attitude of The Netherlands, Russia, and Prussia toward the appeals of the British government for mercenary soldiers, to fight in the Revolutionary war? G. T. K.

A. The rulers of The Netherlands and Russia refused to consider the proposition. Frederick The Great, not only refused to provide hiring soldiers, but he prohibited the mercenaries of other German princes passing through his territory on their way to set sail for America.

Q. Please give the result of the Thanksgiving game between Lebanon Valley and Susquehanna universities. I. R. H.

A. This football game was canceled owing to a severe snowstorm which left the field under six inches of snow and made conditions impossible for a game.

Q. Why isn't cochineal used for a coloring nowadays? R. E.

A. It is used to some extent. Formerly it was much used for coloring wool or silk a scarlet or crimson; but owing to the cost of its production and to the fact that the colors, although brilliant, are not every enduring, this dye has been greatly replaced by cheaper coal tar products, and for this reason the cochineal industry has been rapidly declining.

Q. What kind of paper is our money printed upon? L. McM.

A. The paper used in making paper money is of the toughest kind and is

made by a secret process protected by statute penalizing its manufacture for other purposes. Supplies of blank paper are guarded carefully.

"What will you bet that you are right?" Many an argument ends in those words. And if a wager is laid it is often hard to get the issue settled. Many disputes remain forever undetermined. There are authorities to be consulted, books to be read, experts to be reached. But these are not readily available to every person. In fact, there are few agencies in the world that can answer every legitimate question of fact. This paper has one in a highly organized information bureau that has been built up in Washington. Its only object is to serve you in your quest for information. You are invited to call upon it as freely and as often as you please. The only cost is two cents in stamps for return postage. Address The Salem News Information Bureau, Frederic J. Haskin, Washington, D. C.

## Twenty Years Ago

(Issue of Feb. 9, 1906)

H. K. Ferguson, of Cleveland, arrived in the city this morning with a gang of workmen and later went to the plant of the Columbia Fire Clay Co. which is being rebuilt near Washingtonville. It is hoped to have the work completed in two weeks.

Cleveland—Within a year work will be begun by the National Good Roads association on a great highway extending clear across the state of Ohio from the Pennsylvania line to the Indiana line that will be one of the finest in the world. It will be built to last for all time to come.

Columbiana—Ephraim Rupert, prominent farmer residing near New Waterford, dropped dead Tuesday evening. Heart trouble was given as the cause of death.

Mrs. Nancy B. Burson, pioneer resident of Columbiana, died Thursday morning at the home of her daughter, Mrs. G. V. Sharp, Lincoln ave. She was in her 85th year.

Mr. and Mrs. George Quinn arrived in the city this morning after a two weeks' honeymoon trip. They will make their home on South Lundy st.

Miss Judith T. Brooks will leave this evening for New York city, where she will spend several weeks.

Miss Grace G. Hisey and Lauren Myers, both of Columbiana, have been granted a marriage license.

T. J. Irwin, of Martin's Ferry, state officer of the Red Men, was here Wednesday evening and addressed local lodgesmen.

An old fashioned spelling bee was held Wednesday evening at Pleasant Valley school. Miss Clara Stewart won the contest.

Indianapolis, Ind.—A total of 733,077 motor vehicles were registered in Indiana in 1925. Total revenue collected from license fees was \$4,649,662.93.

## Artichokes Yield Sweetest Sugar

Tests conducted in the U. S. bureau of standards at Washington have shown conclusively that the common artichoke produces the sweetest of all sugars. Dr. R. F. Jackson of the bureau, who conducted the tests, is shown holding a plate of Jerusalem artichokes in one hand, and some of the sugar, levulose, produced from them, in the other.

U. S. PROSPERITY  
SOUND, ENGLISH  
ENGINEERS FIND

Industrial Methods Result  
In Prosperity; Lacking  
In England

London, Feb. 9.—The unprecedented prosperity of the United States is due to a temporary "boom," but is based on a sound foundation and is likely to continue indefinitely.

This is the report of Bertram Austin and W. Francis Lloyd, well known British industrialists and engineers, who have returned from a trip of investigation in America.

American prosperity is partly due to the adoption of methods and manners disregarded in Europe, their report states.

"The present prosperity can be traced to the adoption of and strict adherence to a few cardinal principles in the management of industrial enterprises," the report declares.

Some of the features of industrial management in the United States which they recommend to English industrialists are:

"It is advantageous to increase total profits by reducing prices to the consumer."

"The productive capacity of labor can be increased by the use of time and motion saving devices."

"Labor should be rewarded by wages bearing some relation to output, and no limitation should be placed upon the earnings of any one man."

"Contrary to the belief in Europe, high wages do not mean a high level of prices."

Lloyd and Austin state that they were informed by American industrial leaders that labor is more reliable under prohibition, and that the standard of living is rising rapidly as wages increase.

## COURT NEWS

**Taken to Reformatory**  
Paul and Raymond McCave of Salem sentenced by Judge James G. Moore last fall to the Mansfield reformatory, were taken to that institution late Monday by Deputy Sheriff Lawrence Kinsvatter and Constable Clarence Wetzel of Center township. Accompanying the McCave brothers were also Raymond Stacey of East Liverpool, Fred Taylor and Russell Kelley of Salem.

Stacey was sentenced for being indicted in the theft of merchandise at East Liverpool, while Taylor and Russell were sentenced upon their plea of guilty of robbing poultry houses.

**Partition Case**  
John Stewart George has filed an action in common pleas court against Robert B. George and others, praying for the partition and equitable relief of his 571-578 in R. C. Taggart's fifth addition in East Palestine.

**Suit Dismissed**  
The Colt-Alber Chautauqua Co., who filed an action in common pleas court May 31, 1923, against D. F. White and others for the recovery of certain money, has been dismissed from the record on a motion filed with Judge James G. Moore by the plaintiff. The costs in this case have been ordered paid by the plaintiff.

**Case Dismissed**  
For failure to file a petition and show cause for the action after it was filed in common pleas court, Judge James G. Moore has dismissed two cases from the appearance docket.

The first one to be taken from the docket was that of James Bowers against Henry E. Herbert, which was carried forward to the justice of the peace court. This claim was

for \$35, and was filed in common pleas, Aug. 20, 1924.

The second case to be dismissed on a like cause was that of H. D. McGarrah, a minor, by F. J. Dudgeon, his next friend, against the Buckeye Motor Co., of East Liverpool. This was an action to recover \$20 claimed to be due on the sale of a motor vehicle, and was carried to common pleas on appeal from a court of justice of the peace, Sept. 6, 1924.

"Dismissed for lack of prosecution" in the entry made by the court in the case of the State of Ohio against Theodore B. Sanor, an appeal on a peace warrant, which appeal was filed Oct. 2, 1924. The dismissal was at the costs of the plaintiff in error.

In the appeal case of L. A. Coy against W. L. Pettitt, the court has granted the plaintiff permission to file his petition at once.

## Wants Title Quieted

An action to quiet title to lot No. 795 in East Liverpool, has been filed in common pleas court by Carrie Doughty against James R. Jackson and others, who have an interest in this tract of land. The petition was filed for the plaintiff by Lones, Hill & Davidson of East Liverpool.

## Motion Rejected

On the motion of the plaintiff and at his costs the case of Harry W. Rhininger, filed Nov. 23, 1923, against J. A. Trotter, has been dismissed in common pleas court. In this case the plaintiff sought the recovery of \$159.15 from the defendant.

Tons of dried locusts or grasshoppers are shipped from South Africa to Holland for the extraction of the oil, which is extensively used for lubricating aeroplane engines. The fact that the oil retains its liquidity at very high altitudes makes it particularly suitable for this purpose.

Hide And Seek With Icebergs  
Big Job For U.S. This Year

Washington, Feb. 9.—The international game of hide-and-seek, with cutters of the United States Coast Guard arrayed against icebergs from the Polar regions, will start in March off the Grand Banks of Newfoundland.

With predictions pointing to a heavy flow of ice, extraordinary precautions will be taken by the government, in cooperation with trans-Atlantic steamship corporations to adequately protect lives and shipping interests from March to June, the normal iceberg season.

The American government is charged by international treaty with keeping trans-Atlantic liners warned of the whereabouts of the ice fields. A portion of the cost is borne by a number of foreign nations.

The cutters Modoc and Tampa have been designated for the ice patrol, although necessity exists for a third cutter of this duty.

A recent member of the International Ice Patrol conference in Washington, attended by representatives of American and foreign governments and steamship lines, Herbert Brown, scientist, predicted that the ice patrol will be in operation several years in advance will be possible.

Brown's statement to the ice authorities, and particularly to steamship interests, is of importance because if the prediction is fulfilled it will be possible for the shippers to lay out the courses of their ships several seasons in advance and thus to plan costs of operation more accurately.

During the iceberg season many of the steamers use a more southern course between Europe and the United States, abandoning the shorter northern route to avoid the ice fields.

An effective ice patrol, which furnished the liners with information daily as to the location of ice, permits a shortening of the trans-Atlantic route.

Most of the icebergs originate in the Greenland district. As the ice breaks up enormous bergs, sometimes larger than the United States Capitol, drift southward with the wind and current until they finally ground on the Grand Banks or melt in the Gulf stream.

The iceberg course is directly across the trans-Atlantic steamer route and consequently they are a serious menace to navigation. It is supposed that the Steamer Titanic met destruction by a collision with a gigantic iceberg.

Since that fearful maritime tragedy the governments of the world have shadowed the bergs. In the chart-room of every big liner is a map upon which the daily location of the bergs is recorded.

In order to furnish the maximum protection the Coast Guard cutters have been re-equipped with the latest radio apparatus. During the last ice patrol the radio stations in the cutters Modoc and Tampa handled more message words than any other two radio stations in the world.

The sonic depth recorder was employed during the past season for

berg location, but officials found it not entirely satisfactory. Some improvements in this instrument will be suggested by which its value in the ice patrol will be increased.

The cutters virtually will be mid-Atlantic weather bureaus. Arrangements have been made to furnish the latest weather reports to all ships on the Atlantic equipped with radio.

French Hair Specialist  
Reveals Secret

Tell's How He Grows Beautiful Hair For the Hollywood Girls

Prof. G. W. Basche, French hair specialist of Los Angeles, today was induced to reveal his marvelous secret in beautifying the hair of thousands of movie actresses on the Pacific Coast. In an interview, Mr. Basche said:

"Women who must be beautiful come to my parlors by the thousand, complaining that their hair is falling out or is scanty and lacks lustre. In my forty years' professional experience I have used many remedies but have never found anything that works as efficiently as the new remedy known as Lucky Tiger."

What Lucky Tiger is doing for the clientele of this French Hair Specialist it will do for you in your own home, and you may obtain same at almost any drug store or barber shop as well as from local druggists.

For Pimples, Hives, Cuban Rash, Poison Ivy, etc., ask for Whyte Fox Ngs. 1 and 2. Adv

Because of the way they are built, insects are particularly fitted for a strenuous life and a tired insect is a thing unknown.

Curiosity  
killed the cat!

A Missouri liveryman put his hand in a horse's mouth to see how many teeth the horse had—the horse closed his mouth—to see how many fingers the man had!

Thus the curiosity of both man and beast was satisfied.

If you have ever worn an Eagle Shirt and know the feel of its neckband—we warn you now that if you put your neck into an experimental brand you will find out how many teeth a shirt has!

## Has to Be Repaired After Dancing 22 1-2 Hours to "Charleston" Title

John Gioia, New Yorker, is recovering from the wear and tear of 22 1-2 hours of "Charlestoning" he did to win the title of champion of Gotham. His reward was a silver cup and \$9. His wife is seen repairing the damage, while their daughter looks on.

## SOCIETY

**Music Study Club**  
After enjoying a covered dish supper at the home of Mrs. W. W. Tolerton, East High st., Monday evening members of the Music Study club were "treated" to a surprise following the meal when they were taken to the Elks home to hear the fine program presented by the Gearhart entertainers.

Following the entertainment they returned to the Tolerton home and held a business session at which officers were chosen for the ensuing year. They are: President, Mrs. C. W. Shimer; first vice president, Mrs. Grace Dyball; second vice president, Mrs. T. G. Lee; secretary, Mrs. James Hayden; treasurer, Mrs. Charles Cornwal; executive committee members, Mrs. Zora Trotter and Mrs. F. J. Stoudt.

Mrs. Frank Griffin gave two humorous readings, "The Family Album" and "The Liar Contest" and Mrs. W. W. Tolerton sang two selections, "How Can I Leave Thee" and "Annie Laurie" playing her own accompaniment on an old melodeon. Several piano solos were contributed by Mrs. Solbert Greenberger.

In two weeks the members will meet again.

**Three Links Club Dance**  
Guests from Youngstown, Lisbon, Alliance and Leontina attended the orchestra dance given Monday evening by the Three Links Club in the I. O. O. F. hall, Broadway. The dancing program was finished by Finley's Melody band. Another orchestra dance will be held in two weeks.

The social meeting for next Monday

## Black and Gold Lace and Satin, in Combination

This stunning dress is a combination of black and gold. Underskirt is black satin, with overskirt of gold lace edged with black velvet.

## LETTER ARRIVES FROM TRENCHES

Pershing's Letter Sent As  
World War Was Fought,  
Just Delivered.

Boston, Feb. 9.—A World War letter arrived here today from the trenches in France—seven years late but welcome and prized.

The letter was written by Gen. John J. Pershing, commander in chief of the A. E. F., from "G. H. M." at Chaumont, March 13, 1919, to Bert Ford, accredited war correspondent, representing International News Service and the hundreds of newspapers it serves throughout the world.

Gen. Pershing, in the letter, expressed appreciation of himself, staff and troops for the "adequate and accurate information" presented to the American public by Ford in his International News Service despatches.

As a representative of International News Service, Ford had been in the combat 18 months with the American, French and British forces on the western front. After the armistice he went into Germany with the American army of occupation.

Learning that Ford was about to leave Coblenz and the A. T. F. to interview President Woodrow Wilson, on his arrival at Hrest, to report development at the peace conference in Paris and later to sail home with the Yankee division, Gen. Pershing dispatched the personal letter, which missed Ford by a day in Coblenz.

Then it suffered the adversity and oblivion of other army mail and baggage. It finally came to Ford today through an intelligence officer.

## 3 TROLLEY CARS WRECKED IN CRASH

Worcester, Mass., Feb. 9.—Three trolley cars were wrecked today and scores of passengers were thrown into a panic and shaken up when one car ran wild backwards down a steep grade, shot through Vernon Square and crashed into a second trolley car which, in turn dashed against a third.

That no one was seriously injured and that none of the cars left the rails was considered remarkable by railway men.

## Entertainers Give A Varied Program

The Gearhart Entertainers presented a fine program varied with music and readings at the Elks lodge room Monday evening. It was well attended.

This entertainment was one of the numbers on the lyceum course, which the Elks lodge is sponsoring here this winter.

There are two more entertainments on the course and these will be given in the lodge room at the Elks home, instead of the Memorial building, where the first numbers were held.

## Spanish Flyers On Last Leg of Flight

Rio Janeiro, Feb. 9.—Commander Franco and his comrades on the last leg of their flight from Spain to Buenos Aires, have already covered 890 miles of the distance between here and Buenos Aires, according to wireless messages received here.

Commander Franco reports that he is making excellent progress, and is experiencing no difficulties despite the fact that he is flying through a rain storm.

## It's Big Job To Get Service On John D.

New York, Feb. 9.—Serving personal suit on either of the John D. Rockefeller is the world's hardest job, Charles Bright, a civil engineer told the supreme court.

Bright said he had been trying since 1922 to serve papers in his suit to recover \$5,500,000, charging conspiracy at the Rockefellers and 20 others to obtain concessions and interests he held in South America.

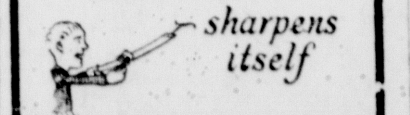

## Chief Watkins Loses Ouster Case Appeal

Columbus, Feb. 9.—State supreme court today affirmed the judgment of the Mahoning county courts in rejecting the appeal of former Police Chief James Watkins, Youngstown, who was ousted sometime ago. Accusation against Watkins included claim that he violated dry laws.

The supreme court today sustained the motion of the state that Watkins appeal be dismissed.

The Japanese are very superstitious in regard to lucky and unlucky numbers. Certain numbers are deemed to be so unlucky that no telephone subscriber would accept them, so they are usually taken by government offices, schools, police stations and other public institutions.

Game Association Seeks  
1,000 Members

Setting its goal at 1,000 members, the Salem branch of the Columbiana County Fish and Game association Monday night launched its 1926 membership campaign.

The branch will seek the renewals of the 500 memberships in the organization here last year, and desires to add 500 new members.

It was stated at the meeting that plans for the annual field day of the county association at Guilford state park will be made at the meeting in Lisbon next month.

Local sportsmen have been informed work on the park will begin March 1 and the park may be ready for the filling in of water for the lake by the time the field day is held there.

## THREE SENIORS SPEAK AT SCHOOL ASSEMBLY TODAY

Grace Crumrine, Fred Cosgrove and Charles Coffee, seniors gave speeches at the assembly Tuesday morning of the Salem High school.

A review of the life of "Jane Adams of Hull House" was given by Miss Crumrine, who showed how Hull house had been developed into the largest settlement house in the world, through the efforts of Miss Adams.

"The Business of Retail" was the subject used by Fred Cosgrove. He explained what makes a successful retail business and one suggestion was to get rid of slow moving stock. He expressed the opinion that advertising has a great deal to do with this.

Athletics is another way of expressing the Golden Rule according to Charles Coffee, whose subject was "Athletics." Mr. Coffee is of the opinion that athletics will bring out either the good or bad in a boy or girl.

## FILM STAR GETS BIG WELCOME AT GRAND THEATRE

Mary Anderson, film star, was received with much enthusiasm by a large crowd of motion picture fans when she appeared at the Grand theater Monday night in conjunction with the showing of her newest picture, "Wildness of Youth."

Miss Anderson, known to the Hollywood film colony as "Sunshine Mary," took several scenes for a forthcoming picture on the stage in full view of the audience, and about 25 Salem boys and girls were given a chance to appear in one scene.

One more performance of Miss Anderson's company will be given tonight and she plans to have about 30 more local aspirants for screen fame appear in a new scene. These scenes, taken by her own cameraman, will be rushed to New York, developed, and sent back here for showing at both State and Grand, soon.

## AMERICANS USING 3 TIMES AS MANY AUTOS AS OTHERS

About 20,000,000 Registered  
In United States; 26  
Millions In World.

Washington, Feb. 9.—The American people are now using three times as many automobiles as all the rest of the world combined, the department of commerce announced today.

Almost every American home has its car.

There were 19,999,436 automobiles registered throughout the United States on Jan. 1 last, the department's census showed—or approximately one motor vehicle for every five men, women and children in the country.

The census taker estimates there are 25,000,000 homes in the country. Evenly distributed, this would amount to an automobile in four of every five homes.

Unofficial estimates placed the value of the country's motor transport at over \$11,000,000,000 and the annual operating cost runs into billions and staggers the imagination.

Rapid motor transportation cost the country an additional billion or two in property damage, as the result of traffic accidents, to say nothing of about 20,000 in lives during 1925.

25,973,928 Autos In World

Department figures showed 25,973,928 automobiles in operation in the world January 1, compared with 22,700,344 a year before. Of the world's motor vehicles 26,799,151 were passenger cars, 181,572 buses, 3,454,939 trucks and 1,519,705 motorcycles.

In the United States the passenger machines numbered 17,317,357, buses 80,000, trucks 244,579 and motorcycles 155,500.

The United Kingdom with 600,734 passenger cars, 18,000 buses, 224,287 trucks and 571,322 motors, was the nearest automotive rival of the United States.

The census showed 855,000 motor vehicles in France, 727,594 in Canada, 589,830 in Germany, 368,293 in Australia and 184,700 in Italy.

One In Tibet

According to the survey there was one lone motor vehicle, a motorcycle, in Tibet, and two each in the Solomon and Ellise Islands. The Fiji Islands of the South Seas operated 474 machines while 25 puffed about in the mountains of Abyssinia.

Officials said that in addition to owning most of the world's automobiles, the United States produced even a greater percentage of the total.

American automobile markets continued to expand rapidly abroad last year, in spite of the efforts of foreign governments to turn purchases to domestic producers.

While in Europe extremely stiff competition exists, cars from the United States were sent to Canada, Australia, New Zealand, and South America in greater numbers. In Argentina a big percent of the 181,250 machines came from this country.

## FRENCH WOMEN WANT MAIDEN NAME RETAINED

Paris, Feb. 9.—"Every woman ought to belong to the Lucy Stone League," declares Yvonne Netter, one of France's best woman lawyers, "especially if she is in business or ever intends to go into it."

In France the wife has the legal right to keep her maiden name after marriage. No law compels her to take that of her husband and it would be much better if all women knew this and acted accordingly, is what the French woman lawyer thinks. The name of the husband has never been that of the wife and she has to submit to sufficient humiliations and inferiority in face of the law without adding this one to her account.

French women are still very much under their masters' thumbs. Their property and possessions are automatically given over to the husbands upon marriage and the wife can neither buy, sell, nor acquire what she wants without his authorization.

Today more and more married women are entering business and are being called upon to direct enterprises of all kinds. Let them keep their maiden names, argues the leaders of women's freedom and rights. In case of divorce, which is never out of the question, the wife is forced to drop her married name if she has taken it. Old clients familiar with it will require time to become acquainted with a new one, and in the meantime business will be bound to suffer. All of this could just as well have been avoided by not changing the name in the first place.

## Lisbon News Notes

**Masonic Inspection**  
Ladies of the Eastern Star will serve a banquet in the Masonic rooms Lisbon, next Friday evening at 6:30 o'clock, the event to be followed by the annual inspection of the New Lisbon lodge, No. 65. Members of the Masonic fraternity from other parts of the county have been invited to attend this event.

**Want Assessments Reduced**  
Although a number of owners of property fronting on Jerome st. Lisbon, have made a personal plea to the village council of Lisbon for a reduction on their special street assessments, it is likely to follow that no change will be made in the schedule as it now exists.

When the matter was brought to the attention of the council at its meeting the subject was laid over until the first meeting in March but at that time it was indicated that no reduction would be granted.

This street, which extends east from North Market st. and passing the fairgrounds, was paved with part county aid, and some of the property owners have contended that the county should have put more money into the project on account of the

street being a part of an intercounty highway.

Property owners have also called the attention of council to the fact that curb is lacking at the east end of the street and that this fact should be taken into consideration and the claim was also made that the street was not finished according to contract.

## BANISH THEM QUICK ECZEMA — STUBBORN SKIN ERUPTIONS

Ocean-O, Deep Sea Water Blood Treatment, Will Do It or Lose Drug Co., Floding's Drug Store or Bolger & French Will Return the Purchase Price

You've heard of Ocean-O, of course. Physicians have been using it for years. It is pure deep sea water distilled, concentrated and filtered and with the excess of common salt removed.

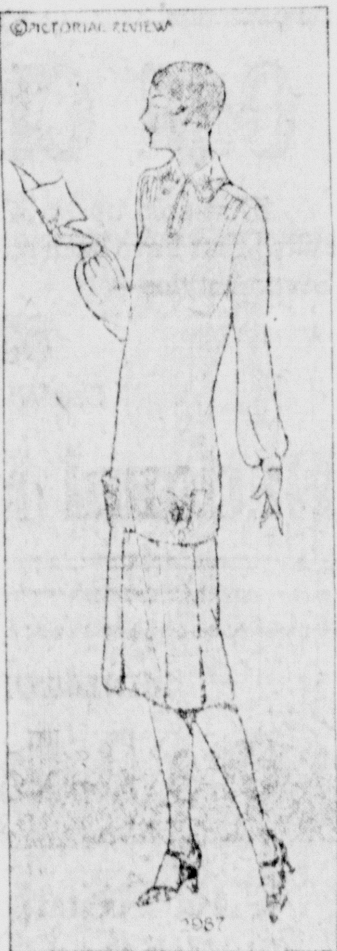

So when you have skin eruptions that torture or embarrass you it's probably because your blood is starving for the want of just those vitalizing mineral elements that deep sea water or Ocean-O can furnish. When you start to rid yourself of pimples, acne, blemes, scaly skin, boils and other stubborn skin diseases with Ocean-O, all you need is one tea-spoonful in a glass of cold water and you drink this night and morning. That means that a bottle will last a long time.

One doctor says that in a case of general porphitis of several years standing, the eruption began to fade in a week—yet we are told it cannot be overcome.

Ask The Lease Drug Co., Floding's drug store, Bolger & French or any reliable druggist for a bottle of Ocean-O today and start to banish skin eruptions.

Use one bottle as directed and if it doesn't help you—get your money back. Adv

## Daily Fashion Note

Not only must a mode be smart, but it must be youthful, says Paris, and her idea of what she means is handsomely illustrated in this two-piece frock of crepe de chine. If preferred the skirt and blouse may be in different shades of the same color. Gather at the shoulders, a jaunty turn down collar and long sleeves are details of the blouse—not to omit the quaintly shaped pockets—while the skirt shows a new arrangement of plaits. Meritum size requires 3 3/4 yards 36-inch crepe.

Pictorial Pattern Printed Pattern No. 2987. Sizes, 14 to 18 years and 34 to 38 inches bust. Price, 45 cents.

## Road Claims Heard By Commissioners

County commissioners Monday devoted three hours to the hearing of damage claims on the North Georgetown-East Rochester road and also on the Georgetown-Valley road.

No decisions have been announced by the board, but where it has been proven that property has been really damaged, it is declared that adjustments will be made, but not on an excessive basis.

The Georgetown-Valley road will follow a new and more direct route than the present traveled road, the new route having been designed to eliminate many objectionable features now existing on the present route.

Linens from All Over the World.

## The Annual Sale of LINENS

Starts Thursday, Feb. 11th

One of the greatest events of the store year is this Annual Linen Sale. Each year it assumes larger proportions and demands greater care in preparation.

Hardly had the sale of a year ago come to a close before we had begun to plan for the sale which begins here Thursday morning.

Our linen buyer investigated the linen markets of Europe and secured on the most favorable terms much of the merchandise which you will find on our counters here on Thursday morning.

It is all fresh and new, our regular standard brands that we carry the year around.

Prices, as you know from past experience, will be much below our usual level. Wednesday's paper will give full particulars of this great sale.

### ABOUT TOWN

**Knights of Macabees**  
Two candidates were obligated at a meeting of Quaker City tent No. 144 Knights of Macabees, Monday evening at the hall, Main st.  
The tent is giving a home talent play entitled, "The Dream of Queen Esther," and on next Friday evening a full rehearsal will be held at the Macabees hall. The play will be presented on Wednesday and Thursday evenings, Feb. 23 and 24.

**Leave For Cuba**  
Mr. and Mrs. L. H. Brush of this city left Monday night for New York, from where they will sail Wednesday morning as guests of Col. and Mrs. Carmi Thompson of Cleveland for Havana, Cuba. There Col. Thompson, as head of the Spanish American War veterans, will dedicate a monument in honor of the sailors who lost their lives in the sinking of the Maine.

**Woman's Organization**  
The Woman's Organization of the First Methodist church will have a covered dish luncheon at 12 o'clock Wednesday at the church. Each lady is asked to take her own table service and one covered dish. The rolls, butter, coffee, and cream will be furnished.

There will be a business meeting following the luncheon.

**Made Honorary Members.**  
Trescott post No. 10, G. A. R., has made members of the Woman's Relief corps, honorary members of the post, and on Saturday several members of the corps attended the post meeting. After the regular session an informal social time with music was enjoyed. The post members are honorary members of the corps.

**City Hospital Notes**  
Mrs. Effie Wells of Lisbon, has entered the Salem City hospital for surgical treatment.

Charles Brandt of New Springfield, has been admitted to the hospital for medical treatment.

Carl Silver has been discharged.

**Gold Star Auxiliary**  
Members of the Gold Star Auxiliary will meet Friday evening in the Veterans of Foreign Wars rooms, Main st. It is requested that all members be present to help to complete the plans for the anniversary supper on March 4.

**Salem City Lodge**  
Salem City lodge No. 698, F. & A. M. met Monday evening at Masonic temple and at that time arranged for a special meeting Wednesday evening, Feb. 17, at which the entered apprentice degree will be conferred.

**To Conduct Meetings**  
W. H. Brown of Cleveland will hold a series of meetings at the Church of God, Roosevelt ave. The first one will be tonight at 7:30 o'clock.

**Legion Auxiliary**  
The Woman's auxiliary of Charles H. Carey post No. 56, American Legion, will meet at 8 p. m. Tuesday at the former rooms, Main st.

**HENRY FORD DANCE AT MEMORIAL BLDG., THURSDAY NIGHT FEB. 11TH, BENEFIT OF VETERANS' HEALTH CAMP, 75c PER COUPLE, 9 TO 12. OLD FASHIONED ORCHESTRA.**

The palatable deliciousness of these foods that will bring and maintain health and happiness in your home will be a pleasant surprise.

We are especially pleased that we have been given the privilege of offering you this opportunity.

## The Smith Co.

### FOUR GOOD BOUTS PROMISED BY ZILL

Four bouts of real action are promised by Al Zill for his next boxing show at Rayen-Wood auditorium, Youngstown, Thursday night.

Safer Friedman, of Chicago, ranked by Tex Rickard as the seventh best welterweight in the world, meets Joe Smorich, the Butte, Mont., assassin, on a 12 round fight as the main bout.

In the opening act Chuck Haddley, of New Castle will trade punches with Pete Ankelos, the Greek heavy.

In the second round, of New York, and Al Kandler, of Alliance, will clash in six rounds. A semi-final is being booked by Zill.

### Mullins and Demings Play Postponed Game

Mullins and Demings fives will play postponed game in the city league at the Memorial building Tuesday night. These two teams met over a month ago but both disputed the score.

Managers of the various league teams met last night but failed to reach a decision on a second round. They will meet again Thursday night.

### Salem High Girls To Play At Sebring

The Salem High Girls will play at Sebring Saturday night. It was announced Tuesday. The Red and Black sextet was without a game up to this morning, as the Carrollton Girls could not be secured. Coach Potter will take her squad to the pottery city for a return game with the Sebring high outfit.

### Last Night's Fights

At Dayton-Paris "Kid" Cangle, Newcastle, Ind., won from Tony Lupina, Toledo, eight rounds; Joe Sekyra, Dayton, scored technical knockout over Pat Travis of Louisville in second round; Speedy Sparks, Cincinnati, knocked out "Ironman" Joe Hearst, third round.

New York-Carl Duane, New York, got the decision over Joey Kaufman.

Brooklyn, ten rounds; Johnny Fisher, New York, got the decision over Frankie Lagana, Philadelphia, six rounds.

At Newark-Frankie Bobb, shaded Makie Mellman of Columbus in ten rounds.

Brooklyn-George Levine, Brooklyn, got the decision over Paul Doyle, New York, ten rounds.

At Philadelphia-Tommy Loughran, Philadelphia, won the decision over Ad Stone, Philadelphia, 10 rounds. Referee Murphy declared "no contest" after Rocy Smith, Battle Creek, Mich., and Vic McLaughlin, New York went seven rounds without "trying to fight." Mat Edgie Philadelphia won the decision over Nick Fadil, Passaic, N. J., six rounds; Dobby Marriot, Baltimore, knocked out Steve Ketchel, New York in first round; Eddie Dempsey, Philadelphia and Joe Bashara, Norfolk, Va., fought six rounds to a draw.

### 42 MASONS ENTER BOWLING TOURNEY

Forty-two Masons have signed up so far for the singles and doubles bowling tournament to be staged soon in the Masonic temple for local members of the lodge, and as a preliminary to the district meet which will be held here later.

Results of the winter league last week reveal the following totals to date:

| Team  | G. | W. | L. |
|-------|----|----|----|
| One   | 36 | 23 | 13 |
| Two   | 33 | 20 | 13 |
| Three | 33 | 13 | 20 |
| Four  | 33 | 8  | 25 |
| Five  | 27 | 7  | 20 |
| Six   | 36 | 17 | 19 |
| Seven | 33 | 25 | 8  |
| Eight | 27 | 18 | 9  |

### Muldoon and Farley To Remain On Board

New York, Feb. 9.-James A. Farley, re-appointed with William Muldoon to New York State Athletic Commission, was expected to be re-elected chairman today at the scheduled meeting of the board. The term of George E. Brower, third member of

commission, has another year to run.

Ordinarily, the post of chairman rotates from one member to another and, in such a case, Muldoon would be in line for the position, but reports in boxing circles were to the effect that Farley was due for reelection.

### POLISHERS DROP LEAD IN LEAGUE TO MILLWRIGHTS

The Mullins bowling league has a new leader this week in the Millwright outfit which snatched three games from under the eyes of the Polishers last week and went into first place by virtue of this victory.

For a change the Office team has company in the cellar. The Tool Room aggregation lost two of three games to the Press Room and thus got a warm reception for a tie for last place.

Results last week were:

| Team        | G.  | W.  | L.  |
|-------------|-----|-----|-----|
| Millwrights | 909 | 859 | 879 |
| Polishers   | 787 | 789 | 847 |
| Office      | 768 | 852 | 770 |
| Fender Weld | 738 | 787 | 824 |
| Press Room  | 750 | 857 | 847 |
| Tool Room   | 825 | 822 | 820 |

STANDING OF TEAMS

| Team        | G. | W. | L. | Pct. |
|-------------|----|----|----|------|
| Millwrights | 48 | 29 | 18 | .613 |
| Polishers   | 48 | 27 | 21 | .562 |
| Press Room  | 48 | 25 | 23 | .520 |
| Fender Weld | 48 | 23 | 25 | .479 |
| Office      | 48 | 20 | 28 | .416 |
| Tool Room   | 48 | 20 | 28 | .416 |

### DELANEY MAY BOX McTIGUE; WINNER WILL SEEK TITLE

New York, Feb. 9.-It seemed probable today that a match between Jack Delaney and Mike McTigue, with the winner to meet Paul Berlenbach for the light heavyweight title, would prove the solution of the Metius-Berlenbach controversy, which has resulted in the State Athletic Commission ordering the champion to remain inactive in local rings until he fights McTigue.

Another result was the scheduling of a series of bouts for Berlenbach outside New York, Paul expressing an unwillingness to box McTigue again because he felt the bout would not prove a good drawing card.

Delaney, however, has offered to

## MEMBERS OF ATHLETICS PICK YANKEES TO FINISH NEAR TOP NEXT SEASON

By DAVIS J. WALSH

New York, Feb. 9.-Apparently some members of the Athletics ball club esteem the 1926 chances of the New York Yankees more highly than either New York or the Yanks themselves. The general impression here is that the boys will do well to finish shortly before nightfall, what with an increasing tendency toward middle age and a vast uncertainty concerning the ability of the infield.

However Gordon Cochrane, young catcher with the Athletics, does not concur with the sentiment. In 1925 his first season on the big time, Cochrane proved the fair-haired boy of American League catchers; so perhaps he knows his book, at that.

Anyhow, he picked the Yanks to run one, two, three and intimated that they might be the Athletics' most dangerous rival. He neglected to state just why this should be so. Probably the reason has something to do with the fact that little neck clams wear oversize collars.

However, Eddie Rommel, battery-mate of Cochrane, also seems to fancy the Yanks. He named the Athletics to win, as a matter of course, and then swings one from his heels by nominating the White Sox, Yankees and champion Senators to follow in the order named.

Seemingly, Rommel looks with little favor upon the Detroit Tigers and St. Louis Browns, generally regarded as deserving a place among the logical contenders. It is possible, also, that his ranking of the Senators may prove slightly irritating to Washington.

But, so the billboards assure us, there is always a reason and Edward has several. He is quoted as saying, among other things:

"The Chicago White Sox must be feared by all American League clubs, for they are going to give everybody the time of their lives."

"They have a good team and fine pitching. Alphonse Thomas, the re-

meet the Irishman in an elimination match and this may prove satisfactory to the commission.

St. Louis has a splendid team but lacks first division pitching. Detroit lacks a first division infield, and Cleveland remains in the same place as last season. Boston needs experience and is weak in many important positions. There is no need for me to discuss the Athletic situation. We have everything."

Mrs. Foster Hall and Mrs. Mary Edgerton.

W. W. Shook of East Palestine, was a visitor at the home of L. W. Atkinson, Thursday.

Miss Dorothy Pollard and Wilson Morlan have returned to Barnesville to resume their studies at the Friends boarding school, after spending their midyear vacation at their homes.

Lawrence Morlan of the U. S. army, who is located in Washington, D. C., is home for 30 days on account of illness.

## FLO LEEDS ISN'T CONCERNED OVER STILLMAN UNION

Palm Beach, Fla., Feb. 9.-Flo Leeds, the woman who won and lost the love of James A. Stillman, today was little interested in the reports that the banker and his wife had sailed for Paris on their second honeymoon. Her eight-year-old son is the chief interest of the former show girl.

Her friends believe she will soon marry a New York business man.

Daily a local florist delivers flowers to the Leeds cottage, and the bills go to the New Yorker.

"I hope they will be happy," Miss Leeds said.

"When I first came to Florida with him I acted with a true love motive, believing a divorce from his wife and marriage with me was imminent and that Mrs. Stillman was really anxious or release so she could marry another."

"I was reading the beautiful love story of James Stillman, but I have lost the book and laid it aside forever. He is studying psycho-analysis with his wife now who holds him by a mystery."

But the love worn experience of Leeds holds more faith in comfort than in psychology for Stillman.

Greenville.-According to the annual report of the school physician of Greenville, of 1,811 children examined, only 105 have goiter as compared with 209 in 1924.

## WIFE OF MINER IS FIRST VICTIM OF STARVATION

Mahoning City, Pa., Feb. 9.-Mrs. ... a rington today was the first victim of the anthracite strike through starvation.

The woman's husband had left his home after the strike had been in progress for a short time. From time to time he had been sending her money, police say.

What little food she had been able to secure, she gave to her children and then virtually starved herself because she was "too proud to beg," authorities said.

The woman was found by Mrs. Mary Emroch, a nurse for one of the large coal companies.

She was rushed to the Fountain Springs hospital at Ashland where she died.

The idea of immortalizing the "Unknown Soldier," adopted by the United States, Great Britain, France, Italy and Belgium, is said to have been conceived first by Professor Santino, an Italian sculptor.

# Write it on the ice!

THIS talk about you "never could smoke a pipe" . . . write it on the ice! Sure, you can smoke a pipe. It's just a matter of picking the packing. Dig up that old jimmy-pipe and start fresh . . . with Prince Albert. That's the prescription that has brought pipe-joy to millions.

P. A. is so genuinely friendly. It hits your smoke-spot in deep center right off the bat. Doesn't bite your tongue or parch your throat, because the Prince Albert process said "nix on the rough stuff" right at the beginning. Just cool contentment in every puff—the urge to load up and light up again and again.

Prince Albert is great tobacco. You recognize that the instant you pull that cool, comforting smoke into your system. So fragrant that jimmy-pipes are more than welcome in "the best room in the house." So full-bodied and satisfying that you want to hit it up from morning to midnight. And do!

Don't put off till tomorrow what you can smoke today. Get a tidy red tin of P. A. now. Snap back the hinged lid and release that wonderful fragrance. Tamp a load into the bowl of your jimmy-pipe and light up. Now you've got it . . . that taste. Say—isn't that the goods, now?

# PRINCE ALBERT

—no other tobacco is like it!

## Theatre

### "LIFE OF LUTHER"

The English Lutheran church will present a motion picture film worthy of the approval of the Lutherans in particular, and interesting to all Protestants in general at the Grand Wednesday. It is "Martin Luther, His Life and Time," now being released by the Lutheran Film Division, Inc.

The opening scenes depict the demoralizing conditions in Europe which led to the need for a Luther. They show the burning of John Huss, Frederick the Fourth at Canossa, and the depravity of the Vatican.

The main theme of the picture then follows, showing the birth of Luther, his early training and education at Eisenach and Erfurt, the dramatic incident which led to his entering the monastery of the Augustines, and his disillusionment at Rome. The picture then carries us with a grand sweep from his realization that "The Just Shall Live by Faith" through the high notes of the 95 Theses, the debate at Leipsic and the Trial at Worms.

### AT THE STATE

"Troubles of a Bride," the William Fox photoplay, will close it run at the State tonight. The picture is a Thomas Buckingham thrill drama such as "The Cyclone Rider," and "The Arizona Express," by the same director.

In the cast of the film are such popular motion picture thespians as Mildred June, Robert Agnew, Dolores Rousseau, Alan Hale, Bruce Covington, Lou Harvey and Bud Jamison.

The attraction Wednesday and Thursday will be "Over the Hill," with Mary Carr in the role of the mother whose devotion knows no limit. This is a release of this picture which thrilled the country over a year ago. It is a story of a black-sheep in a small New England town.

The pineapple plant produces one fruit and then dies.

### Beware of Constipation It Is the Cause of Many Ailments

Mrs. E. C. Carr

Teledo, Ohio—"Dr. Pierce's Pleasant Pellets are the best liver pills I have ever taken. I find them very beneficial to relieve the liver when it becomes sluggish. They relieve bilious attacks and bilious headaches. They are fine as a laxative and relieve one of a constipated condition of the bowels and are the best system regulator I have ever used. 'Pleasant Pellets' aid digestion and keep the stomach free from gas and distress."—Mrs. E. C. Carr, 634 Belmont Ave.

Obtain a trial of "Pleasant Pellets" now of your druggist and see how quickly you'll feel clear headed—full of vim and vitality. 60 Pellets for 30c. Write Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., if you feel the need of free medical advice.

## THE GUMPS—IN THE NAME OF THE LAW

## LEETONIA

At Kelley's park Saturday evening prizes were given by the Salem Radio Club for the best dancers of the Charleston. First prize was won by Miss Angelina Cimminelli and Roy Little of Leetonia and the second prize went to Miss Elsie Evans, Lisbon, and Harry Schesler of McDonald.

The Radio club made the announcement that on next Saturday evening prizes will be given for the best dancers in the old fashioned waltz.

The Rocky Mountain male quartet will be the next number of the Parent-Teachers Lyceum course and will be given on Wednesday evening in St. Paul's Lutheran chapel. The quartet consists of Herb Morris and his three sons Frank, Fred and Courtland. The entertainment consists of instrumental music and costume songs.

Mr. and Mrs. P. V. Reynolds received word Sunday of the death of Mr. Reynolds' daughter, Mrs. Asia Hill of Canton. Mrs. Hill is the wife of James Hill and with her family has frequently visited at the home of her father here. She leaves to mourn her loss her husband; three sons and two daughters; three brothers and one sister and her father, P. V. Reynolds of Leetonia, who is now confined to his bed with a broken hip.

Mrs. Ed McClellan and Mrs. Henry Hildebrand of Wheeling, W. Va., have been visiting their sister and husband, Mr. and Mrs. Charles Frederick. The mother, Mrs. Sophia Hoffmeister, returned with them to their home on Monday.

Miss Ruby Angelmeyer was hostess to the Young Women's Missionary society of St. Paul's Lutheran church on Monday evening at her home, East Columbia st.

The Light Brigade has been divided

into two societies, the older members will meet on Tuesday afternoon immediately after school and the Junior Light Brigade on Wednesday after school.

The officers and teachers of St. Paul's Sunday school will meet in a business session on Wednesday evening prior to the entertainment by the Rocky Mountain quartet at St. Paul's Sunday school chapel.

## OHIO SECOND TO CALIFORNIA IN MOTOR BUS USE

Ohio ranks second to California in the matter of motor bus transportation, a comparison of the mileage and service of the motor bus lines in the two states reveals, it was announced here today.

In California, one may travel for thousands of miles on one bus line, the busses being equipped with radio and all modern devices for the comfort and pleasure of the passengers, with rest rooms and terminal stations at convenient way points.

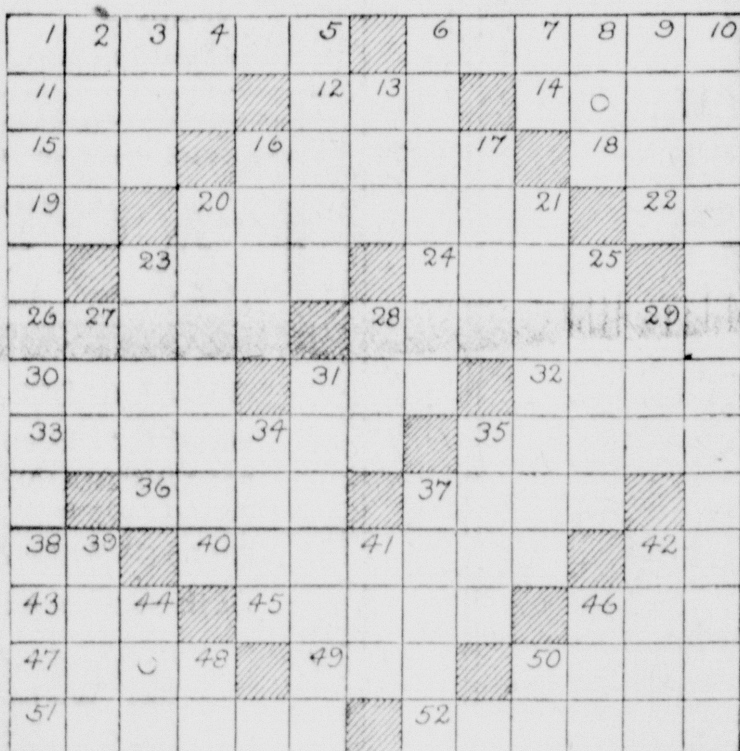

Today in Ohio one may travel from the Ohio river to Lake Erie and from the Pennsylvania to the Indiana line by bus, every county in the state being supplied with the form of motor transportation.

Motor transportation in the Buckeye state originated in 1918 in South-eastern Ohio, which had inadequate train service and no interurban lines, the hilly country making the running of traction cars virtually impossible. Now every section of the state has its motor bus transportation service.

Youngstown—Births registered in Youngstown for 1925 were 2.78 times as many as the deaths. Statistics show. There were 4157 births and but 1503 resident deaths.

## Today's Cross-Word Puzzle

A SPOTTED CIRCLE.

## How To Quickly Stop Bad Coughs

It is often surprising how quickly the heaviest cough disappears when treated by a remarkable new method.

Here is the method, based on the famous Dr. King's New Discovery for Coughs: You simply take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals irritation, but also loosens and removes the phlegm and congestion which are the real cause of the coughing. So the severest cough soon disappears completely.

Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too—no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for

Tea or Coffee

### TODAY'S RECIPES

Eggs en Cocotte—Eggs en cocotte are prepared by buttering small individual baking dishes or ramekins and putting into them a small quantity of cream. An egg is then broken into each dish and they are baked until the whites are semi-solid. Serve in the dishes in which they were baked.

Planked Ham—Cut a slice of boiled ham from the center of the ham an inch thick and a half thick. Dip it in a mixture of a tablespoon each of lemon and onion juice and two tablespoons of melted butter. Dust with salt and sugar mixed, and place it on the center of the planked ham. Surround it with small pared potatoes that have been dipped in the same mixture and set in the oven to cook for 20 to 35 minutes. If the ham seems to dry on top sprinkle a little of the butter mixture on top, dredge very lightly with flour, and when browned to table. Garnish with lemon quarters dipped in chopped parsley.

Parsnips—Peel the parsnips—always peel vegetables as close to the

### LATEST IN STYLE FOR WOMEN

Paris, Feb. 9.—Dame Fashion has plenty of time to change her mind before Easter comes around, but January fashions usually tell which way the wind will blow for a good share of the summer.

Paris modistes are showing charming new versions of straw consisting of straw leaved, straw caspe and similar straw materials which are very soft and pliable, supple enough to be draped and fashioned into the smart little shapes with high folded crowns which are now a bit old, but still very charming. Made of straw cloth in some of the new soft spring colors, these high crowns are very youthful, hence their success, no doubt, particularly when they are folded down toward the side front, so they look something like a small tam.

Crinkly shepherdess brims make some of the hats look very quaint and youthful. Then there are some droopy ones for the big hats, of course, and much use is made of ribbon bows. The familiar cloche shape has the crown a bit higher and the brim is bit wider.

The hat for spring, according to present indications, promises to be either very large or very small. On the Riviera the large one is being worn in the afternoon. The little hat for morning is always good, usually in felt which is going to be as popular as ever. It is so serviceable and becoming that it is found to surpass straw in popularity. A new use for felt is in the felt turban which is very light and comfortable and something quite new which is of course what every woman wants. Satin also promises to be very smart and will come in all the new colors very much like the chosen ones for costumes and frocks. There will be a great deal of green, rose and violet and praline, which is a new mixture of pink and brown. Brown will be popular, but not so much black.

## COLUMBIANA

At the Presbyterian church Sunday evening an illustrated talk on the Missionary work in South America was given by the pastor, Rev. J. G. Strabel. Seventy colored slides were used and a silver offering for missions was taken.

Only a small crowd witnessed the two games Saturday night between Salineville high teams and Columbiana, the local girls losing 14-16, while the boys won 34 to 21. The Salineville girls exhibited an unusual good defense and the game was very fast. The Columbiana boys played a consistently good game. Following the game, Kenneth Dowd, who has been acting captain all season, was formally elected captain. C. H. S. has two games this week, Friday night entertaining Wellsville teams on the Columbiana floor and on Saturday night meeting Memorial High (formerly called Peninsula) at East Youngstown.

Saturday night the Miller Bros. basketball team met defeat at Youngstown at the hands of the famous Duquesne club, 28-29. The game was very close throughout, the lead passing from one team to the other, but the Youngstown boys drew in the last five minutes.

The Ladies' Aid society of Grace Reformed church held their regular meeting Friday afternoon at the church, with a good attendance.

Mrs. Dick Fitzpatrick entertained the members of the fancywork club recently, at her home on South Main st.

W. A. McGahey of Wellsville, was a recent visitor at the home of his sister, Mrs. W. A. Hill and Elizabeth McGahey, South Main st.

Miss Estelle Kugler of Asheville, N. C. was a guest at the home of Mr. and Mrs. H. W. Hammond and family, South Main st. the past week.

Paul Fuhrman of Lancaster, spent the week end at the home of his mother, Mrs. Sagle Fuhrman, North Elm st.

Rev. C. E. Krumm addressed the East Palestine Kiwanis club at their meeting last week.

The local board of education has

hired Rev. P. C. Clark, pastor of the Christian church at Middleton, to teach the Fourth grade for the balance of the school year, succeeding Mrs. Roy Harrold, who resigned recently. Mrs. F. J. Sewall taught the past week in this room. Rev. Clark makes his home with Mr. and Mrs. Frank Ferrall, Duquesne st.

Mrs. Fred Houk and children of Alliance have been visiting at the home of Mrs. Houk's parents, Mr. and Mrs. Joe Holloway, Union st.

Frank Jolly of Melbourne, Fla., is in Columbiana on business connected with the Ledger Publishing Co.

A number of local Lutherans will

go to Youngstown Tuesday evening to see an eight-reel moving picture depicting the life of Martin Luther, the founder of Protestantism.

The Daughters of the King's class of the Lutheran church will hold a Valentine party Friday evening at the church. A covered dish dinner will be served at 7 o'clock.

123 inmates getting care at County Home

On account of the severe winter season, the population at the County Home is heavier now than for many

months, there being 123 inmates on the register, of which 83 are males and 40 females.

John McIntyre, aged 62 years, a former resident of York state, but who resided in Perry township during the last three years, and who was received at the County Home Jan. 16, died there Sunday of bronchitis. He was buried in the County Home cemetery Monday. This is the second death to occur at this institution during the last three weeks.

Four times within a month burglars entered an Akron clothing store and stole nothing but overalls.

## FOR BURNING ECZEMA

Apply Zemo, the Antiseptic Liquid—Easy to Use

When applied as directed Zemo effectively removes Eczema, quickly stops itching, and heals skin troubles; also Sores, Burns, Wounds and Chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive antiseptic daytime use because it does not show. Ask your druggist for a small size 60c or large bottle \$1.00.

## "The Narrows" River Road Being Graded

According to a report received by County Surveyor Lloyd C. Kirk from Edward Stengel of New Philadelphia, state highway division engineer, and in charge of intercounty highway work in Jefferson county, the grading of "The Narrows" just west of Yellow Creek and overlooking the Ohio river is now in progress.

Mr. Stengel has also advised Mr. Kirk that the Cleveland-Marietta highway will be closed this year by the construction of eight miles of 18-foot concrete road, this gap being the only unimproved section in this road.

It is also advised that the Canton-Staubenville road will be improved its entire length, the last gap of 11 miles now being under contract. This road will be built of concrete, and will be 18 feet wide.

## Free--A Valuable Apple Recipe Booklet

Apples have an almost unlimited variety of uses.

Apples are excellent additions to the menu, but the housewife despairs of new ways of serving them.

This problem is solved by a free booklet giving 150 new recipes for the use of this fruit.

You can secure a free copy of this 34 page booklet through our Washington Information Bureau. Merely fill out and mail the coupon below, enclosing two cents in stamps for return postage.

Frederic J. Haskin, Director,  
The Salem News  
Information Bureau,  
Washington, D. C.

I enclose herewith two cents in stamps for return postage on a free copy of the Apple Booklet.

## GIRL HELD FOR TAKING JEWELS VALUED AT \$10,000

Akron, Feb. 9.—Gladys Kreitzberg, 15, a former nurse maid at the home of E. M. Salzberg here, is held at the woman's detention home on a charge of stealing \$10,000 worth of jewelry and other valuables from her former employer.

She was brought here by Marshal R. Cramer of Myerstown, Pa., where she was arrested in a hotel. The officer is said to have recovered most of the stolen loot.

It is said the girl was wearing a \$6,000 diamond ring and a \$500 wrist watch. A \$1,000 fur coat was carelessly draped over a chair.

The girl is accused of packing up the Salzberg property one night soon after she had taken the place as nurse maid. The family had gone out and when they returned the servant had disappeared. She will be tried in juvenile court.

## Go Back 10 Years

And be well, if the new way can do it

Some of the greatest discoveries in modern medicine relate to treating glands. By using gland extracts and secretions we are doing things which seemed impossible before.

The liver is our largest, most important gland. The treatment for that is ox gall. It does what drugs have never done. It is hoped and believed that to millions of people it will bring priceless help.

## Stop the Poisons

You think of torpid liver as meaning constipation. It does, but vastly more.

The liver should supply the intestines a quart of bile per day. That bile checks germ growth. If it is scant, the germs may breed by millions. And the blood may absorb from them a constant stream of poison.

From that impure blood comes sallow complexion, pimples, etc. Also many heart and kidney troubles. Also high blood pressure and premature old age. One cannot tell what troubles may be ended by stopping that poison flow.

## Learn What It Does

Here is a new discovery from which millions may gain benefits. Learn what it means to you.

The results start in 24 hours. To some they are amazing. To countless people they may mean new health, new youth. Perhaps ox gall for the liver gland means just the relief you seek.

But get the genuine. Avoid deceit. The best is called Dioxol. Each tablet contains ten drops of purified ox gall. In a treatment so important don't risk uncertain help.

Remember the name—Dioxol. Your druggist supplies it. Watch its quick, remarkable effects. You will be delighted.

"Clip this advertisement. Take it to our Special Agent, The Lease Drug Co., and he will give you a liberal sample of Dioxol free."

New Castle—Arrangements are being made by the school directors of Hickory township, for a special election, March 11, for the purpose of voting on a bond issue of \$40,000 for the erection of a new high school at Eastbrook.

## 400 GAS FILLING STATIONS LISTED

Report Compiled by County Sealer Doesn't Include Liverpool Stations

There are over 400 gas filling stations in Columbiana county outside of those located in East Liverpool, according to a report just filed with County Auditor Charles E. Hamilton by County Sealer of Weights and Measures William H. Barr of Lisbon. The report in turn is to be filed with the auditor of state, Columbus.

The largest gas filling stations in the county are located at East Palestine, where one station has eight pumps. This station is located on the Cox highway near the Ohio-Pennsylvania state line, and the second largest station in the county is also at East Palestine, which has six pumps.

There are 67 gasoline pumps within the corporate limits of Salem, the report discloses, with Lisbon having 32; East Palestine 31; Rogers 7; Wellsville with 20 stations and 32 pumps; Columbiana 25 pumps; Leontonia 18 and Hanover 7.

Other gasoline pumps are located as follows: Salineville 14; Kensington 7; New Waterford 4; Middleton 1; East Fairfield 3; Clarkson 2; Fredericktown 1; Franklin Square 2; New Alexander 2; Damascus 2; Homeworth 4; Moultrie 1; Bayard 3; East Rochester 5.

There are 18 gasoline pumps located on the Lincoln highway between Wellsville and West Point on the Wellsville-Lisbon road. Between the state line and Columbiana there are 26 pumps and between Wellsville and East Liverpool there are three gasoline stations with 14 pumps.

On Beachwood boulevard, East Liverpool, but outside the corporation limits there are two stations with five pumps, and in Maplewood there are three stations with five pumps. Only two stations are located in Calcutta with three pumps.

There is no way to account for the volume of gasoline sold from these pumps monthly, so far as county records are concerned. In the collection of the excise gasoline tax, the distributor only has such records, and the tax is charged against the retail dealer by the distributor, and the latter then remits the tax to the state.

Another gasoline tax distribution is expected to be received by County Auditor Hamilton from Columbus within the next few weeks for credit to the county fund. Excise gasoline checks are forwarded to the various corporations direct, and do not pass through the office of the county auditor as does the automobile license money.

## Ice-Coated Roads In Dangerous Condition

Not in ten years it is declared by motorists has the Lincoln highway between Lisbon and East Liverpool and the Salem-Lisbon road been in such dangerous condition as at present.

Both highways are ice coated, and drivers have been cautioned by County Surveyor Lloyd C. Kirk to use extreme caution when traveling these roads.

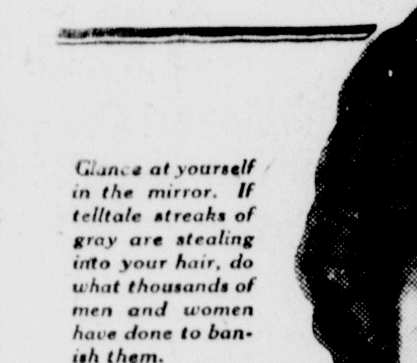

Just west of Apples on the Lincoln highway there is a one way traffic lane through a four foot drift, and

other piece of one way traffic road 1,000 feet south of Apples. Near Spencer's Corners there is another one-way traffic lane through a heavy drift.

Drifts have been cleared from the Salem-Lisbon road, but this highway is also ice coated, and is considered dangerous to motorists unless care is used in driving.

Alliance—Coming from the Pacific coast, Miss Clara Roefield, secretary for the Y. W. C. A., had arrived in Alliance to launch a membership campaign for the proposed Alliance "Y."

Glance at yourself in the mirror. If telltale streaks of gray are stealing into your hair, do what thousands of men and women have done to banish them.

Do you want youthful hair—glowing, soft, radiantly healthy? There is a clean, colorless liquid, known as Kolor-Bak, which has enabled thousands of men and women to take years from their appearance—to keep their rightful places in the swift-moving world of business and society.

Kolor-Bak is not messy or unpleasant to apply like ordinary dyes. You need feel no embarrassment in using it, for the hair does not change color instantly, which is often so awkward.

With Kolor-Bak, gray hair regains its natural shade gradually but surely. You scarcely see its effects; yet often it accomplishes its purpose in a week.

And Kolor-Bak also acts as a tonic, routing dandruff, preventing itching and giving the hair an exquisite softness and youthful lustre.

Kolor-Bak is easy and pleasant to apply, just like water, and the same bottle may be used by anyone. Just make the test. If desired results do not appear, your money will be returned instantly. Guarantee in each package.

Kolor-Bak is a new discovery from which millions may gain benefits. Learn what it means to you.

The results start in 24 hours. To some they are amazing. To countless people they may mean new health, new youth. Perhaps ox gall for the liver gland means just the relief you seek.

But get the genuine. Avoid deceit. The best is called Dioxol. Each tablet contains ten drops of purified ox gall. In a treatment so important don't risk uncertain help.

Remember the name—Dioxol. Your druggist supplies it. Watch its quick, remarkable effects. You will be delighted.

## A. B. CALVIN DIES SUDDENLY SUNDAY

Former Youngstown Judge Born In Green Township In 1877.

Youngstown, Feb. 9.—Anthony B. Calvin, former municipal judge and prominent member of the Mahoning bar, died suddenly Sunday afternoon at his home, 3622 Hudson.

Death was due to heart disease. Anthony B. Calvin was born in Green township, Mahoning county, March 13, 1877, a son of Luther B. Calvin and Leah Wisler Calvin.

Judge Calvin grew up on his father's farm and his education in the district schools was supplemented by a high school course. He graduated with an A. B. degree in 1887 from Northeastern Ohio Normal college at Canfield. He graduated from the law school of Ohio State university in 1900 and came here and formed a partnership with Judge J. R. Johnston.

The partnership continued until 1905 when Calvin assumed his duties of police judge. He was the first judge elected to this office. The office had been created the preceding year. Previously he had served two terms in council from the old Fourth ward.

Judge Calvin retired from the bench at the end of his five year term and resumed his private practice.

Judge Calvin was married to Miss Fern Unstead, Sept. 9, 1908.

He was a member of First Baptist church, Western Star lodge No. 21, F. & A. M., Youngstown club, Youngstown council No. 93, R. A. M. Buehner council, Youngstown lodge I. O. O. F., Elks, Eagles and Knights of Pythias.

Besides his widow he is survived by two half sisters, Mrs. Martin Wisler and Mrs. Sara Whitmer and a half brother, Syronus Yoder, all of Youngstown.

Funeral service was held in the home at 3 p. m. Tuesday. Burial in Tod Homestead cemetery.

Wilbur Vignon, who was operated

on for appendicitis on Saturday is getting along nicely.

Mr. and Mrs. Lynn Davis and daughters, and Mrs. David Weikart and son have been spending Saturday evening in the home of Mr. and Mrs. A. Chappell at Leontonia.

Mr. and Mrs. Wilford Davis of Salem, Mr. and Mrs. Glen Davis and family of Leontonia and Mr. and Mrs. J. M. Davis and son Ray were entertained on Sunday in the home of Mr. and Mrs. F. G. Davis.

Mrs. Ferrall and son Henry of Sebring spent Sunday with Mr. and Mrs. Homer Ferrall.

Mr. and Mrs. James Bell entertained in their home on Sunday: Mr. and Mrs. Earl Welch and children of Rogers, Mrs. Martha Welch of Woodlawn, Pa.; Mr. and Mrs. George Bell and family of Greenford, and Mr. and Mrs. Harry Bell and family of this place.

Mr. and Mrs. Albert Spear and Miss Margaret Bailey and Ed Detimore attended a party at the home of Mr. and Mrs. Chester McCave at Canton on Saturday evening.

Mrs. Winifred Baker was a week end guest in the home of Mr. and Mrs. J. E. Simpson at Wellsville.

Misses Helen Eyster and Hazel Vignon were week end guests of relatives at Canton.

Mrs. Damon Vaughn and son Robert of East Liverpool spent Sunday with Mr. and Mrs. George Vaughn.

Mr. and Mrs. Ralph Warner and children and J. N. Paisley spent Sunday with Mr. and Mrs. James Paisley at Warren.

Miss Mae Eyster and friend attended a party at Youngstown Saturday evening.

Warren Weikart and children of Leontonia were callers here Sunday afternoon.

Mr. and Mrs. Lynn Davis and daughters, and Mrs. David Weikart and son have been spending Saturday evening in the home of Mr. and Mrs. A. Chappell at Leontonia.

Mr. and Mrs. Wilford Davis of Salem, Mr. and Mrs. Glen Davis and family of Leontonia and Mr. and Mrs. J. M. Davis and son Ray were entertained on Sunday in the home of Mr. and Mrs. F. G. Davis.
